RE: Draft Expanded Site Investigation Report
MMRP Site UXO-14, ASR #2.200
Former Gas Chamber
Marine Corps Base Camp Lejeune
Jacksonville, North Carolina

Dear Mr. Beck:

The Superfund Section of the Division of Waste Management has completed its review of the Draft Expanded Site Investigation Report for MMRP Site UXO-14, Former Gas Chamber (ASR #2.200). Based on the results of the investigation that has been conducted, we concur with the conclusions and recommendations. Specifically, Section 7.2, states that "Based on the conclusions previously presented, no further action is recommended at the former Gas Chamber area".

If you have any questions, please contact me at (919) 707-8342.

Sincerely,

Marti Morgan
Environmental Engineer
NCDENR Superfund Section
